**SEASIDE
DOWNTOWN WINE WALK
A GREAT SUCCESS!**

Hundreds of people enjoyed the Downtown Wine Walk on Saturday, May 15th. Our wonderful AAUW volunteers sold **790** glasses to visitors and residents, too! "Shy Jazz" was a hit in the Carousel Mall! Thank you again to Suzanne Elise Assisted Living! Dave Quinton and Gary Keiski, entertained the Wine Walkers with their Acoustic Swing music throughout the evening at Salmonberry Square. Waiting for your wine is much more enjoyable with toe-tapping music! It was another successful SDDA event!

THE FLOWER BASKETS ARE COMING!

It won't be long now until our downtown streets will once again be alive with bright and colorful flowers! Our beautiful hanging flower baskets will be delivered on Wednesday, May 26th at 6am. If you'd like to help with the placement of the baskets and have a truck, please contact the SDDA office at 503-717-1914. It's fun and we're done by 8am. There's coffee and donuts, too!

MUSCLE 'N' CHROME T-SHIRT SALES

Muscle 'N' Chrome is just a month away! We are looking for fun and enthusiastic volunteers to help man our T-Shirt booth on Friday, June 18th & Saturday, June 19th. We have 2-hour shifts from 9am until 4pm on both days. Come on out and meet some great "Car" folks and hang with SDDA!

DON'T FORGET!

Beginning on June 3rd, SDDA will be back to our Summer breakfast meeting time at **8am**. Mark your calendars, planners and meeting schedules. We look forward to seeing you there!

**It's Pacifica
Project Time!**

Pacifica Projects are community-service type projects that each senior must complete in order to graduate. The seniors perform the service and must document and then present their project to the community.

Jason Boyd, Seaside High School's Athletic Director, is looking for community members to be panelists during the Pacific Projects Presentations on June 8th, starting at 12:30pm.

Panelists sit and listen to presentations and score them using a simple "circle the number" score sheet. Panelists do not need to be educators. They will score the presentations based on how they feel the presentation came across.

If you are interested in being a panelist, contact Jason Boyd at jboyd@seaside.k12.or.us. Or call Seaside High School at 503-738-5586.
