Shop SEASIDE!

Here are a couple more snippets of information about Shopping Locally:

#4 Shopping locally saves you time and money. You travel less, saving on time and fuel.

#5 Shopping locally helps retain your Communities. People don't like losing shops and services in small towns, but don't always equate this with how they spend their money.

Let's help to improve the economic health of our downtown area by shopping locally!

COMMUNITY FLOWER BASKETS

We have begun working on the Community Flower Basket Program and donations are starting to arrive. On a windy, rainy day like today, it's especially nice to imagine how beautiful those 67 baskets will look hanging around the downtown area. The cost of each basket, including maintenance from May into September is approximately \$300 each. Donations of any size, large or small, are appreciated and used to offset those costs. Donors will be recognized in the Seaside Signal and the Downtown Information Kiosk.
