Seaside Downtown Development Association

*Enhancing the environmental and economic viability of*

*Downtown Seaside for the local community and visitors*

**THANK YOU SPONSORS**

Our downtown flower basket campaign is in full bloom! We are proud of our town's beauty and what the flowering baskets have to offer. The SDDA is happy to have the support of all of our sponsors whom help make this a possibility. On May 17th, the Seaside Signal will be

printing a half-page color ad thanking our wonderful sponsors. Won't you join the following people whom thus far have started the baskets growing?
