Enhancing the environmental and economic viability of

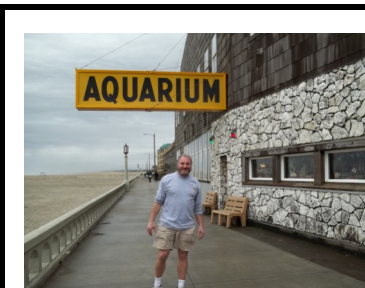

Downtown Seaside for the local community and visitors

ALL AMERICAN CITY

Seaside is preparing to submit our application on March 1st to be considered for "All American City". The National Civic League has a link below that can be used for community members to nominate their city for consideration as one of the 30 finalist. Out of the 30 finalist 10 cities will be honored "All America City". I ask you to take the time to nominate Seaside and explain why you feel your city is worthy of this award. We need to get this link out to as many people as possible to encourage to vote. Copy and paste the link to your browser then, write the word and pass the word!
