ALL-AMERICAN CITY

Seaside has been invited to participate in the All-America City Finals.

The All-American City Committee comprised of Doug Barker, Gini Dideum, Mary Blake, Veronica Russell and Russ Vandenberg will now start preparing for the presentation to the National Civic League panel of judges.

We are extremely proud and excited to be a part in this process. The community of Seaside deserves to be recognized for this prestigious award. The committee plans to send a delegation to Kansas City who will illustrate our qualifying projects and demonstrate our strengths and qualities as a community worthy of All-America City recognition.

The finals will be held June 15-17, 2011 in Kansas City, MO.

The SDDA is very proud and happy to support our delegation on their endeavor for the purpose of getting our town recognized, if you would also like to donate, donations are being accepted to help support our All-American City Committee to attend. For all inquiries and donations contact Russ Vandenberg 503-738-8585.
